Subject: Withdrawal Transfer Application Nos. 81292 & 81293 (Hunter and Funk)
Attachments: 81292 & 81293 Withdrawal.pdf

All:

In May of 2018, the parties agreed to a *Stipulation for Withdrawal of Protests* for Transfer Nos. 81292 and 81293 for Water Right No. 35-2824. This is the water right where the parties agreed that 75 acres (out of 121 acres) would be paired up with ASCC shares, and the remaining 46 acres would be designated as primary ground water right acres.

Since submitting the stipulation, Hunter and Funk have decided to terminate their purchase and sale agreement, and Hunter is now under contract with another buyer of 35-2824. Accordingly, I am submitting the attached *Withdrawal of Application for Transfer of Water Right(s)*.

It is anticipated that the new buyer will file a transfer for 35-2824 under the same concept as the prior stipulation, where 75 acres will be paired with ASCC shares.

Thanks,

Robert L. Harris
