WATER SUPPLY BANK LEASE CONTRACT No. 918

9. In accordance with Idaho Code § 42-248 and § 42-1409(6), all owners of water rights are required to notify the Department of any changes in mailing address or change in ownership of all or part of a water right. Notice must be provided within 120 days of the change.
10. If a water right leased into the Water Supply Bank is sold or conveyed during the lease term, and if the leased right was rented, the rental proceeds will be disbursed in the following manner regardless of any arrangements between the buyer(s) and seller(s) to the contrary:
 - a. Rental payments will go to the lessor(s) of record at the beginning of the rental season, even if the Department processes a Notice of Change in Water Right Ownership during the rental season.
 - b. New lessor(s) of record will receive payment for any subsequent rental seasons.
11. The water right(s) is leased to the bank subject to all prior water rights and shall be administered in accordance with Idaho law and applicable rules of the Department of Water Resources.
12. The use of water for irrigation under this right may begin as early as March 1, provided other elements of the right are not exceeded. The use of water before March 15 under this remark is subordinate to all water rights having no subordinated early or late irrigation use and a priority date earlier than the date a partial decree is entered for this right.
13. The unleased portion of water right 63-32257 is limited to a diversion rate of 0.03 cfs and 9 afa, for the irrigation of 2 acres.

FOR WATER RIGHT 63-32257**

Dear Lessor:

Water right **63-32257** was leased into the Water Supply Bank (Bank) as of December 31, 2018, in accordance with the enclosed executed lease contract. **Your water right, as described on the lease contract, is considered leased into the Bank and should remain unused until it is formally released from the Bank.** More information and further restrictions placed on your water right while leased can be found in conditions of acceptance of the lease contract. Read the conditions of acceptance carefully.

The right will automatically be released from the Bank on **December 31, 2023**, unless the right is released earlier by the Water Resource Board (Board). On behalf of the Board, the Department of Water Resources (Department) can evaluate an early release of the lease contract upon your request. This form is available on our public website at www.idwr.idaho.gov. **Please note your water right may not be available for immediate release if it has been rented or is being considered for a future rental. Furthermore, it is at the discretion of the Department whether or not a water right can be released early from a lease contract.**

Sincerely,

**RE: REQUEST FOR RETURN OF SIGNED WATER SUPPLY BANK AMENDED LEASE
CONTRACT 918 FOR WATER RIGHT 63-32257**

*****TIME SENSITIVE RESPONSE REQUIRED*****

Dear Applicant,

The Department of Water Resources (Department) mailed **two original Water Supply Bank Amended Lease Contracts for your review and signature** on March 13, 2019. The signed contracts have not been returned to the Department.

Please sign both original Amended Lease Contracts and return them to the Department within ten (10) days of this letter to complete processing. The *Amended Lease Contract* is not considered final until both you and the Department have signed.

If the signed *amended* lease contracts are not received by the Department within the 10-day period, the lease application will be returned, and the application fee will not be refunded. You can reapply to lease the water right in the future by submitting new application form along with applicable fees.

Please note the forfeiture period is not tolled unless a right is accepted into the Bank, or unless an exception or defense to forfeiture applies as described under Idaho Code § 42-223. If forfeiture is a concern, you may consider filing an Application for Extension of Time to Avoid Forfeiture of a Water Right form. This and other water right forms are available from the Department's web site at www.idwr.idaho.gov.

If you have questions regarding this matter, please contact this office at 287-4800.

Sincerely,

for Water Supply Bank

Enclosures: Proposed *Amended* Lease Contracts

3/5/2019

Clay,

I had an office day call on Friday about this lease contract. The applicant requested 38 of 40 acres be leased, but we executed the contract for 40 acres. I made updates to the lease contract and map and saved them as versions 2.0 of the respective documents in the N drive water right folder.

This amended contract and map should be good to go, however I did not yet update the WSB software system to reflect these values. We should send this out for signature and execution, and then update the WSB software data when the contracts come back signed.
