MEMORANDUM

To: Transfer 25-02123, 25-07068
From: Paul Meyer
Date: 6 July 1993

RE: Field Investigation

On 16 June 1993, I conducted a verification examination on the historic points of diversion for 25-02123 and 25-07068. At that time it was noted that there was evidence of historic use of the water as originally licensed.

I recommend that the transfer requesting addition on a point of diversion be approved under the following condition:

1. Water rights 25-02123 and 25-07068 are still subject to review by the Snake River Basin Adjudication staff to determine validity of the licensed rights.

A handwritten signature or set of initials, possibly "PM", written in dark ink. It consists of a large, stylized letter 'P' with a horizontal line through it, followed by a vertical line and a small 'M'.
