MEMORANDUM

TO: FILE NO. 31-02327

FROM: PAM SKAGGS/²STATE OFFICE

SUBJECT: TRANSFER NO. 4837

DATE: August 23, 1996

=====

Transfer No. 4837 was filed to change the point of diversion under a portion of Right No. 31-02327, splitting the right into parts A and B. The applicant has purchased the 70 acres described and wants to irrigate from his existing well that currently serves Right No. 31-07080.

Season of use and diversion volume were adjusted to current standards. The diversion rate was assigned disproportionately to the transferred acres through SRBA change of ownership document and the transfer application. Both the original well and the new well have other rights with overlap conditions that have been modified to reflect the transfer.

Other recommended conditions include irrigation overlap, future annual reporting and standard transfer conditions.
