Transfer No. 4762 was filed to change the point of diversion and place of use under a portion of the above referenced rights, splitting each right into parts A and B. The applicant is consolidating these rights to form center pivot sprinkler system.

The applicant supplied proof of ownership providing 1995 tax notices under both the names M. Frank Sullivan and Michael F. Sullivan. Through a telecon today, the applicant's attorney, Kent W. Gauchay, verified that both of these names identify the applicant, Michael Frank Sullivan.

Season of use and diversion volume were adjusted to current standards. An expedited drilling permit, No. 32-96-E-0002, was approved on 03-14-96 in connection with this transfer.

Recommended conditions includes future measuring device and annual reporting, irrigation overlap and standard transfer conditions.
