**Re: Withdrawn Transfer 81844 in the name of the City of Kuna and
Request for Notice.**

Dear Mr. Miller, Mr. Johnson and Mr. Stevens:

I represent Cloverdale Ridge Water Corporation who was a Protestant to Transfer 81844. The City of Kuna subsequently withdrew the transfer and it is my client's understanding that the City intends to pipe water to the Falcon Crest development from the City's existing wells. While Cloverdale believes that the City's withdrawal was done in good faith, it may also be an attempt to re-file a similar transfer in the future with the hope that my client would miss a protest deadline. As is customary in these circumstances, Cloverdale is requesting that if the City re-files a transfer that again proposes new wells in or around the vicinity of the Falcon Crest development that they receive actual notice from IDWR and the City of Kuna.

To that end, I am requesting that a copy of this letter be placed in the file for each of the City of Kuna's water rights, 63-3266, 63-8215, 63-11970, 63-12394, 63-12552, and 63-31481.

Sincerely,

Candice M. McHugh
