RE: Permit No. 63-12510

Dear Permit Holder(s):

The Department is in receipt of a letter from your attorney stating that you wish to withdraw your Request for Extension of Time (extension request) form and replace it with the Statement of Completion for filing Proof of Beneficial Use (proof) form. You can simultaneously withdraw your extension request and submit proof.

In order to do this, please provide the Department with a written statement requesting the extension form submitted to the Department on November 30, 2018, be withdrawn and replaced with the proof form being submitted. *Enclosed is a proof form for your use.*

According to the Maximum Diversion Rate listed on your permit the license examination fee is \$100.00. The \$50.00 you submitted with the extension request will be reapplied towards the license examination fee. *An additional \$50.00 will be required with the filing of your proof form.*

Please be advised that your water right permit Lapsed on December 1, 2018, since an unacceptable extension request was received. The priority date of your permit is being advanced 1 day for every day proof of beneficial use is late beyond this date.

Please provide the Department with the completed proof form, additional \$50.00 fee, and a written statement requesting withdrawal of your extension request. The Department will allow (30) days from the date of this letter to submit all that is required. If nothing is received within this time frame the Department will send you an official Lapse Notice.

Sincerely,

Darla Block
Technical Records Specialist
