Dear Permit holder,

Thank you for submitting the map with the location of the stock tanks marked.

Due to the complexity of the information you provided, i.e. pond, pipe in ditch, etc., the field exam for this permit will have to be done on location. The permit will go into the Department's queue and someone from the Department will contact you to set up a field exam.

If you have any questions concerning the field examination, please contact the Eastern Region Office of the Department located in Idaho Falls at (208) 525-7161.
