Sorry Tammy, I haven't been in my e-mail so this is late. That date should work for me unless JURY DUTY calls. I haven't heard from them, but they have me scheduled in May but since I will be late they may hold me over through June. I'll work it out with that date if it comes up. Thank you.

Good afternoon Applicant & Protestants,

We have had a conflict with the July dates that I sent out and none of them will work after all. I spoke with another hearing officer with IDWR and he is available in June to hold the hearing. The dates we can hold the Hearing would be **June 19th – 20th, 2019**. I don't foresee this Hearing going longer than a day but I am hoping to schedule it on **Wednesday, the 19th of June** and then if it takes longer, we would continue on the 20th of June. Due to the delays with scheduling conflicts, I would appreciate it if you can get back to me by this **Friday, March 29th** so I can get the room reserved and the Hearing Notices ready to send.

If you have any questions or concerns, please contact me at **(208) 762-2800**.

Thank you,

Tammy

Please notify only if you are okay with the dates we have for the hearing. **At this time we are not entertaining dates past July.** If the dates will not work, then please notify me of why you have a conflict and I will send it to the Hearing Officer who will decide to proceed or not.

Thank you,

Attachments: Hearing Availability Calendar EVANS (Rec'd Late).pdf

Good afternoon Mr. Evans,

According to the calendar you sent in on February 25th, 2019, you are available on the dates I chose. I have attached it for your review. Everyone else was available on the July dates but, since you weren't, I have tried to make arrangements so that you can be there. At this point, I must get a date certain and hold the Hearing. I have already made special arrangements to change Hearing Officers and dates for you. At this point, I am not asking what works best for you. I am asking if you are available on the dates selected. If for some reason you are not available, please explain why and I will take it before the Hearing Officer and see how he wants to handle it.

Thank you,

Tammy

thanks Tammy, sorry for being that guy :-(

We haven't been on vacation in a long time and are planning a trip to Europe and possibly Costa Rica that will take up July and August.

Let me visit about these dates with my wife and see where the "trip plan" is.

Good morning Mr. Evans,

I received your calendars on February 25th and I had already sent out a letter on the 21st requesting your choice of three dates (see below) for the hearing. I see that you are unavailable the entire month of July. I am wondering if you are out of the area during that time. If you are available even for a couple hours, we could make concessions to allow you to speak first so you wouldn't be tied up as long. Please look at the dates listed below and let me know if any of them will work for you. If not, I will have to choose dates in August due to the Hearing Officer's calendar and send a new letter to the applicant & protestants.

We have selected the following possible dates for the Hearing:

Wednesday, July 17th, 2019

Wednesday, July 24th, 2019

Wednesday, July 31st, 2019

Thank you,
