PROOF ACKNOWLEDGEMENT LETTER

RE: Permit Nos. 86-11985 & 86-11986

Dear Permit Holder(s):

The Department acknowledges receipt of the proof of beneficial use forms submitted for the above referenced permits. The next step in the process of developing water rights is for the Department to conduct the field examinations to determine and confirm the uses being made of the water.

Please be advised that Section 42-248, Idaho Code, requires you or the owner of these water rights to maintain current ownership and address records on file with the Department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any Department office or at the Department's website at www.idwr.idaho.gov.

If you have any questions concerning the field examinations, please contact the Northern Region Office of the Department located in Coeur d'Alene at (208) 762-2800.

Sincerely,

Darla Block
Technical Records Specialist
