Subject: Water Right Permit #63-12510

April 8, 2019

Dear Kathleen,

It is the understanding of the Department per the letter received from Julie Klein Fischer on April 4, 2019, that the permit holders wish to withdraw their Request for Extension of Time form and replace it with the Statement of Completion for filing Proof of Beneficial Use form. The permit holders can simultaneously withdraw the Extension Request and Submit Proof. In order to do so, the Department will need in writing, from the Permit Holders, a statement that requests the Extension Request form be Withdrawn and Replaced with the Proof submittal.

In addition, the Department requires that the permit holder submit their Proof form with an additional \$50.00 to cover the License Examination fee. The \$50.00 fee paid at the time of filing their Extension Request will be reapplied towards the License Examination fee associated with the Proof Filing.

Please note that this permit is now Lapsed, and will need to be reinstated upon the Proof submittal date.

If you have any questions please call me.

Sincerely,
