Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records and has enclosed a computer-generated report for you.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208) 736-3033.

Sincerely,

Allison Inouye

Re: Yragui Water Right Licenses

Dear Corey:

Michelle Fletcher signed the Notice of Change in Water Right Ownership for Water Right/Claim No.'s listed by you on that Notice of Change. I had two documents that appear to be the same. Both of these documents had previously been signed by Patricia Koner as trustee for the other Yragui family. I am enclosing both originals with this letter. If we were suppose to keep one of them, please send it back to me. I am also sending this by email so that you get it as quickly as possible. The originals will follow in the mail.

If you have any questions or need any additional information, please let me know.

Sincerely yours,

Karen,

Yesterday we received a Notice of Change in Water Right Ownership signed by Patricia Konen on behalf of the Yragui Family Trust (see attached). As you recall, we have had discussions on updating various water right records into the name of the Yragui Family Trust and the Edward & Evelyn Yragui Trust. I have reviewed the deeds that you have previously submitted and it appears that they describe joint ownership of the various parcels where the water rights listed on the Notice of Change in Water Right Ownership form are appurtenant. It looks like the steps are being made to list both the Yragui Family Trust and the Edward & Evelyn Yragui Trust as owners of the water rights. However, there are still some items that we need to have addressed...

- The attachment (see attached) that accompanied the Notice of Change in Water Right Ownership lists the attorneys and trustees of the two trusts. However, we need the mailing addresses associated with the various parties also. We were able to find Russ Kvanig's address on the Idaho State Bar website, but we need addresses for the following...

Michelle Moramarco

Patricia Konen

Michelle Fletcher

- We will need to have a representative of the Edward & Evelyn Yragui Trust submit a signed copy of the Notice of Change in Water Right Ownership form also. Michelle Fletcher can print out the attached copy of the form and submit a signed form (signature on item # 8) to our office.
- Total filing fee of \$175.00 (\$25.00 per water right). A check made out to "IDWR" would work.

If you have any questions, feel free to give me a call (208-736-3033),

Corey

P.S. On a side note, we are still awaiting the submittal of the licensing amendments for 47-7169, 47-7170, and 47-17686, but I believe that Mr. Kvanvig and Ms. Fletcher are working on that front.
