RE: Change in Ownership Water Right Permit No(s): 95-17047

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Change in Water Right Ownership (Notice).

Our review of your Notice indicates that additional information is required before the Department can process the change.

Because this water right is still in the permit stage, an Assignment of Permit will be required to complete the ownership change. Enclosed is an assignment form for your use. The Department will be able to apply the \$25 paid for the ownership change to the Assignment of Permit.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your ownership change pending receipt of the necessary form. If we do not receive the necessary form within 30 days we will return your notice and all attachments and your notice will not be processed.

Also, please note that permit holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Forms to assign ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me at (208) 762-2813.

Sincerely,

Natalie Steading
