S. Keen

Meeting - City of Boise LTG
Permit

Does the City meet the criteria for an increase in production?

2018 - Warmer than usual. ~~Normal~~ Normal would have needed 327 mg. ~~that~~ A cold year would have needed even more.

- Four new buildings in 2018
- Three more in discussion

H.C. 6 - ^{City} Requests 355 for 2020

IDWR has 60 days p. 6 (May 7)

- Parties weigh in by March 29 - respond
- to Shelley Keen @ idwr.idaho.gov

Moratorium -

Parties want the moratorium extended. But - Harris Ranch's Geothermal Rights are in the WSB.

~~Other significant right holder.~~ Other significant right holder.

Doug Fowler 344-1131

Harris Ranch Developer

~~That's the problem!!~~

IDWR - 300 ft. question.

- If there are concerns about the moratorium extension (proposed), reply to Shelley Keen by March 29, 2019.
