RE: 85-15733 Petition for Reconsideration

Dear Ms Burlingame,

I am writing to acknowledge receiving your Petition to Reconsider the Preliminary Order issuing the above referenced license for water right. IDWR has 21 days to act on the petition as described in the explanatory information included with the license mailing.

In order to expeditiously reconsider our license issuance we are requesting the following information:

- 1) Please annotate the attached map with the 10 acre area that you irrigated to a beneficial use before November 15, 2015 (proof of beneficial use submittal date).
- 2) Provide evidence of the active irrigation, such as aerial or satellite imagery, water usage or flow meter data, etc.

Please provide the requested information within 14 days to allow IDWR to process the material and act on the Petition.

Thank you for your prompt attention to this and I look forward to hearing from you or Corey Baune soon.

Respectfully,

Douglas Jones
Northern Regional Manager
