RE: Withdrawal of Protests of Application for Transfer 82161 (Suez Water Idaho Inc.)

Dear Parties:

The Department of Water Resources (Department) acknowledges receipt of two documents entitled *Stipulation to Resolve Protest*. The first document ("Farmer's Union Stipulation") was received by the Department on February 1, 2019. The Farmer's Union Stipulation unconditionally withdraws the protest filed by Farmer's Union Ditch Company Limited. The second document was received by the Department on March 13, 2019 ("HOA Stipulation"). The HOA Stipulation unconditionally withdraws the protest filed by Lexington Hills Homeowners' Association, Inc. The two documents resolve the protests to Application for Transfer 82161 that created the contested matter to which Lexington Hills, Inc. intervened. Accordingly, the Department will proceed to review the Application pursuant § 42-222 without conducting a hearing.

Please contact this office if you have further questions regarding this matter.

Sincerely,

Nick Miller
Manager, IDWR Western Region
