RE: Change in Water Right Ownership Water Right No. 29-2005, 29-10341

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that **additional information is required** before we can process the change. The information required is indicated below:

***** Evidence of Water Right Ownership*****

Water Right 29-2005: We need a deed for the water right only because it does not appear that you own the entire place of use and it is unclear on whether or not the water right was withheld when the property was sold to David Hershey and Kristina James.

Water Right 29-10341: We need a deed for the water right only because it does not appear that you own the entire place of use and it is unclear on whether or not the water right was withheld when the property located in Section 2, Township 7 South Range 36 East was sold to Carlo Wilson.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. ***If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.***

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Cher Ramos
Technical Records Specialist
