Re: **Annual Water Report**
Water Right No. 95-09480

Dear Ms. Block

As a condition of this permit it is understood that a report is to be filed with your office on an annual basis. I have found that the previous board of directors did not furnish this information to IDWR for the years 2012, 2013 and 2014. It is our intent to update your records with this report.

- Legal description of the point of diversion:
Groundwater NE1/4 SE1/4 SEC 24 T52NR4W BM Kootenai County
- Maximum diversion rate: 120.4 gpm
- The total volume of water measured for the following years:

<u>Year</u>	<u>Well Production</u>	<u>Acre Fee</u>	<u>Active Connections</u>
2012	19,525,000 gal	59.92	121
2013	21,700,000	66.59	125
2014	22,025,000	67.59	125

- Total number of future "will serve" commitments not yet active: 24

The Coop is in the process of working with RC Worst & Co. exploring how we can increase production by increasing the size of our well pumps to better serve our members in the summer months.
