RE: Partial Abandonment of Water Right 61-11960 & 61-11962

Dear Water Right Holder:

The Department of Water Resources is returning the Notice of Abandonment of Water Right received from you on March 4, 2019. Notice of Abandonment of Water Right forms must be notarized.

Also, was it your intent to reduce the acres of these two water rights to 5 acres or less to avoid the measuring device requirement order? If so, you will need to abandon the entirety of the junior water right, 61-11962, which is 1.3 acres and 2.1 acres of water right 61-11960. The Department will also need to know the diversion rate and diversion volume of water right 61-11960 you would like to abandon.

The Department will also need a map of the acres you wish to discontinue irrigating. A map is enclosed for your benefit. Please mark on the map which acres you are abandoning and return with the Notice of Abandonment of Water Right forms.

If you have any questions, please call me at 208-287-4951, or email me at angie.grimm@idwr.idaho.gov.

Sincerely,

Angela M Grimm
Water Rights Section Manager
