RE: Permit no. 63-12510 Request for Extension of Time to Submit Proof of Beneficial Use

Dear Mr. &/ Mrs. Vanderwoude:

The Idaho Department of Water Resources (IDWR) received your Request for Extension of Time to Provide Additional Time in which to Submit Proof of Beneficial Use for a Water Right Permit (Extension Request). The Extension Request indicates Canyon County CAFO permitting delays interrupted development of your water right permit. In order to fully evaluate the Extension Request, IDWR requests you submit additional documentation to confirm the existence of a delay and the length of the delay caused by the Canyon County CAFO permitting process. Once IDWR receives this information, IDWR will continue processing your Extension Request.

IDWR granted an Extension Request for Permit no. 63-12510 (Permit) on 12/23/2013. This Extension Request was granted pursuant to Idaho Code § 42-204(6). Idaho Code § 42-204(1) states in pertinent part:

In cases where the applicant is prevented from proceeding with his work by his failure to obtain necessary consent or final approval... by... county... government permitting... related to the applicant's land or water development... the department of water resources upon proper showing of the existence of any such condition, and being convinced that said applicant is proceeding diligently and in good faith, shall extend the time so that the amount of time lost by such delays shall be added to the time given in the original permit, or in any subsequent grant of extension pursuant to subsection (2), (3), (4) or (6) of this section, for each and every action required.

With proper evidence, IDWR may grant the Extension Request pursuant to Idaho Code § 42-204(1). IDWR must first confirm the existence of a delay due to the Canyon County CAFO permitting process and the length of any such delay.

Please submit the requested additional information within the next thirty (30) days. Without the additional information, IDWR will issue a preliminary order denying the Extension Request and a lapse notice for the permit. If you have any questions, please contact me.
