RE: Additional Information Request for Permit 98-7748

Dear Permit Holder(s):

On January 25, 1995 you filed an application for permit to appropriate water from various sources for irrigation, stockwater, and recreation uses in Section 22, Township 62 North, Range 3 East. The application was approved and water right permit 98-7748 was issued on August 14, 1995. On July 12, 1999 you filed a proof of beneficial use statement claiming that you developed the irrigation, stockwater, and recreation uses under water right permit 98-7748.

I am now trying to verify the water use under 98-7748, and license this water right permit. I have attached a copy of the permit and the map supplied by you for this water use. It appears from the map, that this property is now owned by Sweetwater Ranch LLC. A copy of this letter will also be sent to Sweetwater Ranch LLC. If Sweetwater Ranch LLC is the current owner of the property, you can assign the water right into Sweetwater Ranch LLC's name, and I will work through them to license this water right.

You can request that IDWR personnel go into the field to collect this information accompanied by a member of your staff/organization/family. For this to occur, please contact me with the name, telephone number, and email of your representative and the representative must be available to be contacted and for scheduling of the required visits within thirty (30) days. IDWR must also receive the contact information of your representative in a timely manner.

If I do not receive the requested information from you within thirty (30) days, I could take action to void your permit under the provision of Section 42-219(8) of the Idaho Code. If you agree that no beneficial use of water occurred under the permit listed, you can shorten the voiding process by completing the enclosed relinquishment form for each permit affected and returning it to IDWR.

Should you have any questions, please contact me at 208-762-2800.

Respectfully,

Adam Frederick
Senior Water Resource Agent
