RE: Application for Permit 47-17664
Our Clients: Robert (Bob) and Jana Linderman
Our File No. 12933-001

Dear Corey:

My clients, Bob and Jana Linderman, have determined that they would like their Application held in abeyance and extended once again. Settlement negotiations with protestants are ongoing at present. Bob and Jana are not wanting to completely withdraw their Application, but presently do not wish to actively proceed while negotiations are still pending with protestants.

I will be back to you at such time as their situation changes. Thank you for your assistance.

Very truly yours,

J. DEE MAY
