Re: Change in Ownership for Water Right No(s): 74-2187C and 74-10212

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records and has enclosed a computer-generated report for you.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208) 287-4803.

Mrs. Bockmon

Thank you for sending the information on the Baker Cabin. The documents are exactly what we need to change the ownership of Water Rights #74-2187C and 74-10212. Water Right #75-10157 (currently owned by David K. Milton) is not related to this property. This Water Right is associated with property on Tom Boyle Rd. that is also the location of another Water Right you already own for Fish Propagation (75-7120).

If you can supply the warranty deed for the Tom Boyle Rd. property then I can process all three Water Right Ownership Changes. If you cannot supply that document I can just process the two associated with the Baker Rd. property and refund you \$25.00 of the \$75.00 you've paid.

Please let me know what you prefer.

Hi Rosemary, I found the deeds and attached the entire paperwork. "Baker Cabin" is the transfer into our trust, and "Baker Cabin Original Purchase" is all the paperwork from our initial purchase. Sorry if they are upside down, etc., my scanner gives me fits at times since it is old. Let me know if you want me to mail these also.

Thanks for your help on this!

Dear Ms. Demond,

I received your email regarding the additional attachments. I do not have the additional paperwork with me now, but I will send it in soon, when I return home in a week or so. Our realtor always took care of the water right transfer paperwork when we purchased other properties in Idaho, but that didn't happen with the cabin on Baker Rd. We used a different realtor for that purchase. I didn't even know that it wasn't done until I went in to talk to the water district, who helped me fill out the new paperwork you have there. Sorry for the oversight.

Thank you,

Kelly Bockmon

RE: Water Right Change of Ownership Water Right Nos. 74-2187C, 74-10212, and 75-10157

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Change in Water Right Ownership (Notice). Our review of Notice indicates that additional information is required before the Department can process the change. The information required is indicated below:

- Legal Description of Property

The documentation provided shows an exchange taking place from National Residential Nominee Services Inc. to Jeffrey J and Kelly A Bockmon, and from Mr. and Mrs. Bockmon to the Family Trust. However, both deeds refer to Exhibit A or "See Attached" for the legal description of the property being transferred but no Exhibit or Attachment was included.

We will require both attachments referred to in the two deeds provided. (Exhibit A and "See Attached"). Please send these documents to our State office at the address below and address the envelope to my attention.

Because the Department cannot process the Notice without proper documentation, we will hold any action on your notice pending receipt of the necessary documentation. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Also, please note that permit holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Forms to assign ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me at (208) 287-4803.

The documentation provided shows an exchange taking place from National Residential Nominee Services Inc. to Jeffrey J and Kelly A Bockmon, and from Mr. and Mrs. Bockmon to the Family Trust. However, both deeds refer to Exhibit A or "See Attached" for the legal description of the property being transferred but no Exhibit or Attachment was included.

We will require both attachments referred to in the two deeds provided. (Exhibit A and "See Attached"). Please send these documents to our State office at the address below and address the envelope to my attention.

Because the Department cannot process the Notice without proper documentation, we will hold any action on your notice pending receipt of the necessary documentation. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Also, please note that permit holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Forms to assign ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me at (208) 287-4803.

Sincerely,

Rosemary DeMond
