Re: Change in Water Right Ownership: 36-7541 (Split into 36-7541 and 36-17149),

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of a portion of the above referenced water right(s) to you. The Department has modified its records based on the information received and has enclosed a computer-generated report for you.

Your portion of each water right(s) has a specified point of diversion, nature of use and place of use. If you plan to change the authorized point of diversion, nature of use, or place of use, including adding a new point of diversion, you must file an Application for Transfer of Water Right. If you do not plan to change any elements of your water right, then no further action is required at this time.

The portion of the water right retained by the original right holder retains the original water right number. The Department is sending the original right holder a copy of this letter and a computer-generated report showing the changes to the original water right.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208) 736-3033.

Sincerely,

Jim Bitzenburg

RE: OWNERSHIP CHANGE FOR WATER RIGHT 36-7541

Dear Mr. Durbin:

The Department has been notified that you are the current owner of the property to which a portion of the above water right is appurtenant. In order for you to be listed as the current owner on the water right, you must sign the enclosed Notice of Change of Water Right Ownership form (making any necessary changes), include the required \$100 filing fee and a copy of your warranty deed then return everything to this office by **August 28, 2015**. Once it is received, the changes will be made to our records, and you will be sent confirmation that the change has been completed.

Please note Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department within 120 days of the change. Failing to report these changes could result in a \$100 late filing fee. Thank you for your prompt attention to this matter and should you have any questions please feel free to contact Nathan Erickson at 208-736-3033.

Sincerely,
