Mrs, Alleman ,
My address has not changed but I noticed one number of my zip code off . 1733 Buckman Springs Rd Campo CA 91906 .
If you need me to I can fill out the form you attached and email it back but the zip code was the only number that I saw that was off . It's 91906 .

Good afternoon Ms. Davidson,

I sent a letter to you regarding the publication of the Legal notice for your water right application and it was returned to us for insufficient address. I used the address we have on the application. If you have changed your address, please use the Change of Address form I have attached to the email along with a copy of the letter I sent you and the returned envelope. We will need a current address so we can send correspondence regarding your Application for Permit throughout the Licensing process. Please make sure that we have your current information on file.

Thank you and have a great day.

Tammy
