Hi Keith – your office submitted information to update water right 36-17147 in the Box Canyon area into the name of Idaho Parks & Recreation. I am working on processing that and noticed that an attorney – Michael H Felton, Jr. – is also listed on the water right. Would you like him retained on the water right as the attorney? If not, let me know and I can remove his name.

Thanks,
Allison

Re: Change in Ownership for Water Right No: 36-17147

Dear Water Right Holder:

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right to you. The Department has modified its records and has enclosed a computer-generated report for you.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208) 736-3033.

Sincerely,

Re: Water Right 36-17147

Dear Interested Party:

Pursuant to a recent Notice of Ownership Change filed by Box Canyon Land Holdings LLC, it has come to my attention that irrigation water right 36-17147 appears to be appurtenant to property owned by Idaho Parks & Recreation. The water right was recently split from water right 36-7363A which is appurtenant to the land directly south of this property and is owned by Box Canyon Land Holdings LLC. Water right 36-17147 is for 5 acres of irrigation within the SWNW of Section 27 Twp 08S Rge 14E of the Boise Meridian in Gooding County.

Because we have not received any ownership information for right 36-17147, it remains in the names of Box Canyon Dairy, Frans & Cornelia Aardema, and Thomas & Mary Jane Heida. If you would like to update the ownership of this water right in IDWR's records, please submit a Notice of Change of Ownership form (enclosed or available on IDWR's website) along with the required documentation and filing fee to our office. Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change.

If you have any questions concerning the enclosed information or would like to discuss options available regarding this water right, please contact me at (208) 736-3033.

Sincerely,

Allison Inouye
Water Resource Agent
