PROOF DEFICIENCY LETTER

RE: Permit Nos. 21-13081 & 21-13082

Dear Permit Holder(s):

The Department received the proof of beneficial use (proof) forms submitted for the above referenced permits. The proofs are not acceptable without the correct license examination fees. Copies of the forms are enclosed for your reference.

\$100.00 was submitted with the proof forms. These permits authorize diversion rates of 2.30 cfs (cubic feet per second) and 2.20 cfs, which was stated the same on the forms submitted requiring license examination fees of \$150.00 per permit. **Please submit the remaining \$200.00 of the required fees.** Enclosed is a license examination fee schedule for your reference.

Please submit the required fees at your earliest convenience before the proof due date of **March 01, 2019** to avoid the possibility of your permits lapsing, and include a copy of this letter with your payment. If you have any questions concerning this matter, please contact me at (208) 287-4945.

Sincerely,

Darla Block
