RE: Change in Ownership Water Right No. 29-14052, 29-14053 and 29-7980

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Water right numbers 29-14052 and 29-14053 have been updated to show Mike Ennis as the current owner.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership:** Water right number 29-7980 is also listed on your application, however there are some questions regarding ownership. As we discussed on the phone Denise Nansel is the current owner of the water right. She filed for the water right 1990, it was licensed. In order for the department to complete the ownership change for this water right additional evidence of ownership is required. Items to be provided would be a full chain of title back to Ms. Nansel, with the full chain if she sold property to Armstrong a split will likely be required because Ms. Nansel does still own a parcel of land about 0.9 acres within the place of use of water right number 29-7980. If you believe you are entitled to the entire water right you could submit a release from her. Another option would be to you can submit documents going back to owned the water right in the 1990s (when the application was filed), then the department can review whether she should have filed for the water right to begin with.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
