That's is a relief!! Keep an eye on your email when you send notices—I always try to respond back and let you know I have it. If you don't hear from me then check back. I am meticulous about going through those orders—but occasionally I completely miss one.

Tricia,

No problem! I will send another round of notices around January 30 with updated dates to be advertised the first two weeks of February. This notice can be printed then.

Thank you,
Anna

Anna, I am sorry but we did not run this notice on December 20th. Oddly, this is the first time I am seeing this email. I did not even see it in my Inbox.

Good Morning,

On December 13th, I sent you a letter confirming the advertisement of your Application for Transfer No. 82639 for Water Right 65-22289. Unfortunately, there was a miscommunication between Star News and me so the application was not advertised.

The application will be advertised in the *Star News* 2/6/2019 & 2/13/2019.

Let me know if you have any questions.
