RE: Permit No. 65-23740

Dear Permit Holder:

On January 8, 2019, the Department received your Request for Extension of Time ("extension request") regarding the above-referenced permit.

Department policy has been to return to the requestor, extension requests which are filed more than six (6) months prior to the Proof of Beneficial Use Due Date, as they are considered premature. Since the Proof Due Date on this permit is April 1, 2023, I am returning your extension request as unprocessed.

Therefore, I will initiate the process to refund the \$50.00 filing fee submitted. You should receive a State of Idaho check for \$50.00 within ten business days under separate cover.

If need be, you may resubmit your extension request at a later date not prior to six (6) months before the proof due date listed above.

The Department will send you a 'Proof Due Notice' approximately 60 days prior to the above referenced proof due date requesting you to file either a Proof of Beneficial Use form or a Request for Extension of Time form. Enclosed is a copy of your permit for future reference.

If you have any questions, please contact me at (208) 287-4945.

Sincerely,

Darla Block

Describe what work has been completed toward the development of this water right:

If no work has been completed, show "none".

I work in OK and am only home every three months
I got a road into the property this summer of 2018.
My next project is to put a catch basin for the
pump to pump the water to be used.

Costing \$ 2,000.00 Plus

The permit holder(s) has been unable to complete the remainder of the work for the following reasons:

I am working on getting costs and making the
final plans.

Permit holder(s) request an extension for 3 year(s).
