NOW, THEREFORE, in consideration of the mutual covenants and contracts herein contained, and other good and valuable consideration, the receipt of which is hereby acknowledged, the parties hereto agree as follows:

It does not preclude the opportunity for review of the validity of this water right in any other Department application process.
9. In accordance with Idaho Code § 42-248 and § 42-1409(6), all owners of water rights are required to notify the Department of any changes in mailing address or change in ownership of all or part of a water right. Notice must be provided within 120 days of the change.

13	Narrative: The Department received this application on December 20, 2018. The application was signed by Randy Flood, vp of Flopet. This right was decreed in 2013 but the entire right has been in the Bank since 2003. No irrigation has taken place. Forfeiture is not an issue. This right overlaps with King Hill Irrigation District rights, but doesn't appear the Irrigation District water has ever been used on the land. This right is currently within WD 2.
