Re: Change in Ownership for Water Right No(s): 13-638 13-960D

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records and has enclosed a computer-generated report for you.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208) 525-7161.

Sincerely,

Jonie Barg

Randy and Allen,

Attached are updated reports for water rights 13-638, 13-960D, 13-4077 and 13-7064. Mathews Ranch LLC is now listed as the sole owner of water rights 13-638, 13-960D and 13-4077. When water right 13-7064 was licensed in 1976, it described stockwater and domestic use at three homes and listed three owners: Wayne Anderson, Wawn Hogan and Keith Barthlome. Rather than split water right 13-7064, I replaced Wawn Hogan with Mathews Ranch LLC. The current owners of record for water right 13-7064 are Wayne Anderson, Mathews Ranch LLC and Keith Barthlome.

As I was updating the ownership records, I noticed that the place of use for water right 13-960D likely needs to be updated. The water right acres per quarter-quarter do not match the number of irrigated acres per quarter-quarter. This place of use adjustment can be addressed by the new property owner.
