Hi Deb,

I had spoken with Keith last year about completing the transfer of water rights from Cherry Tree Timber (CTT) to Stimson. In reviewing Idaho Department of Water Resources records, I see that you completed the transfer on the pending claim 95-17079. There are two additional rights that need to be transferred from Basin 94. I have attached a completed transfer form. It requires Stimson signature, attaching the Shoshone County CTT to SLC deed and including a check for \$50 to cover the transfer fee for two claims (the fee is required on claims that have already been decreed).

I am also attaching a copy of the two CTT partial decrees for your reference.

Please let me know if you have any questions or need additional assistance.

Thank you,

Re: Change of Ownership for Water Right/Permit No(s): 94-9445 & 94-9446

Dear Water Right Holder(s):

The Department acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records to reflect this change in ownership and has enclosed a computer-generated report for your records.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see § 42-222 and §42-223, Idaho Code.

Also note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right, to the Department. Notice of the change must be provided to the Department within 120 days of the change. Water right forms are available from any office of the Department, or at www.idwr.idaho.gov.

If you have any questions concerning the enclosed information, please feel free to contact me at (208) 762-2800.

Sincerely,

Natalie Steading
