EXPLANATORY INFORMATION TO ACCOMPANY A PRELIMINARY ORDER

(To be used in connection with actions when a hearing was **not** held)

(Required by Rule of Procedure 730.02)

The accompanying order or approved document is a "**Preliminary Order**" issued by the department pursuant to section 67-5243, Idaho Code. **It can and will become a final order without further action of the Department of Water Resources ("department") unless a party petitions for reconsideration, files an exception and brief, or requests a hearing as further described below:**

PETITION FOR RECONSIDERATION

Any party may file a petition for reconsideration of a preliminary order with the department within fourteen (14) days of the service date of this order. **Note: the petition must be received by the department within this fourteen (14) day period.** The department will act on a petition for reconsideration within twenty-one (21) days of its receipt, or the petition will be considered denied by operation of law. See Section 67-5243(3) Idaho Code.

EXCEPTIONS AND BRIEFS

Within fourteen (14) days after: (a) the service date of a preliminary order, (b) the service date of a denial of a petition for reconsideration from this preliminary order, or (c) the failure within twenty-one (21) days to grant or deny a petition for reconsideration from this preliminary order, any party may in writing support or take exceptions to any part of a preliminary order and may file briefs in support of the party's position on any issue in the proceeding with the Director. Otherwise, this preliminary order will become a final order of the agency.

REQUEST FOR HEARING

Unless a right to a hearing before the Department or the Water Resource Board is otherwise provided by statute, any person aggrieved by any final decision, determination, order or action of the Director of the Department and who has not previously been afforded an opportunity for a hearing on the matter may request a hearing pursuant to section 42-1701A(3), Idaho Code. A written petition contesting the action of the Director and requesting a hearing shall be filed within fifteen (15) days after receipt of the denial or conditional approval.

ORAL ARGUMENT

If the Director grants a petition to review the preliminary order, the Director shall allow all parties an opportunity to file briefs in support of or taking exceptions to the preliminary order and may schedule oral argument in the matter before issuing a final order. If oral arguments are to be heard, the Director will within a reasonable time period notify each party of the place, date and hour for the argument of the case. Unless the Director orders otherwise, all oral arguments will be heard in Boise, Idaho.

CERTIFICATE OF SERVICE

All exceptions, briefs, requests for oral argument and any other matters filed with the Director in connection with the preliminary order shall be served on all other parties to the proceedings in accordance with IDAPA Rules 37.01.01302 and 37.01.01303 (Rules of Procedure 302 and 303).

FINAL ORDER

The Director will issue a final order within fifty-six (56) days of receipt of the written briefs, oral argument or response to briefs, whichever is later, unless waived by the parties or for good cause shown. The Director may remand the matter for further evidentiary hearings if further factual development of the record is necessary before issuing a final order. The department will serve a copy of the final order on all parties of record.

Section 67-5246(5), Idaho Code, provides as follows:

Unless a different date is stated in a final order, the order is effective fourteen (14) days after its service date if a party has not filed a petition for reconsideration. If a party has filed a petition for reconsideration with the agency head, the final order becomes effective when:

- (a) The petition for reconsideration is disposed of; or
- (b) The petition is deemed denied because the agency head did not dispose of the petition within twenty-one (21) days.

APPEAL OF FINAL ORDER TO DISTRICT COURT

Pursuant to sections 67-5270 and 67-5272, Idaho Code, if this preliminary order becomes final, any party aggrieved by the final order or orders previously issued in this case may appeal the final order and all previously issued orders in this case to district court by filing a petition in the district court of the county in which:

- i. A hearing was held,
- ii. The final agency action was taken,
- iii. The party seeking review of the order resides, or
- iv. The real property or personal property that was the subject of the agency action is located.

The appeal must be filed within twenty-eight (28) days of this preliminary order becoming final. See section 67-5273, Idaho Code. The filing of an appeal to district court does not itself stay the effectiveness or enforcement of the order under appeal.

MEMORANDUM

Date: November 19, 2018
To: Transfer # 82082 File
From: Benny Walker
Re: Evaluation of Sufficiency of Information Submitted

Application proposes creating a 6,717.5 acre permissible place of use (PPU) on a farm located approximately 10.0-16.7 miles east and 7.6 -13.2 miles north of Rupert for 25 rights totaling 62.97 cfs and 4,953.5 acres currently diverted from 17 wells on the farm. The application also proposes moving a 0.46 cfs and 59 acre portion of an additional right from a farm located approximately 9.7-10.1 miles east and 10.0-10.6 miles north to the 17 wells and proposed PPU. In addition, a portion of two water rights totaling 1.15 cfs and 96 acres are also proposed to be moved from a farm located 16.5-17.0 miles east and 8.1-8.7 miles north to the 17 wells and proposed PPU. In total the 28 rights will allow for the diversion of 64.58 cfs from 17 wells for the irrigation of 5,108.5 acres within the 6,717.5 acre PPU. The applicant's representative has provided an electronic shape file and a "206" map for the 5,108.5 acres the applicant is seeking to irrigate within the 6,717.5 PPU.

The rights involved with the application are located within Water District #130 so watermaster comments were solicited. Application was subject to notice and protest.

- **Authority to File:**
The applicant submitted the necessary deeds allowing for the transfer of water rights 36-7356C, 36-2069, and 36-15217. The applicant is listed as the current owners of the water right involved in the transfer according to IDWR records.
- **Water Right Validity:**
The right involved with this transfer were decreed in the SRBA. Aerial photography indicates that the land involved with the transfer has been irrigated in recent years.
- **Injury to Other Water Rights:**
None anticipated. Watermaster did not oppose approval of this application.
- **Enlargement of Use:**
None anticipated. Irrigation is limited to the allowable acres within the PPU.
- **Local Public Interest:**
Application was subject to public notice and protest. No protest were received.
- **Beneficial Use/Conservation of Water Resources:**
Proposed use is recognized as a beneficial use of water.
- **Effect on Economy of the Local Area:**
No issues anticipated
- **Effect of the Agricultural Base of the Local Area:**
None anticipated.

Review of the application finds there is no clear inconsistency with criteria set forth in Section 42-222 Idaho Code preventing processing of this application.
