Subject: Drilled well & old Water Right on Water Right Application 96-9729

Mr. or Mrs. Hiatt:

I believe you indicated, during your stop at my office, that you have a drilled well that is used to supply domestic water for the home on your property. Please get back to me with the well casing tag number (if one is present) or the name of the property owner for who the well was drilled. Our records indicate that a well was drilled on the adjacent property for Bill and Sharon Downing (Tag Number D0069652) in 2015. Do you share use of this well?

IDWR records indicate that Eugene H. Morse and Pearl L. Morse obtained Water Right License 96-07816 for a lawn and garden using Pend Oreille River water. The 96-07816 place of use that matches your legal description. Were the Morse's prior owners of your property tax parcel?

Thanks,

Shaun Maxey
