Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water rights to you. The Department has modified its records and has enclosed a computer-generated report for you.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208) 736-3033.

Sincerely,

Dear Allison,

Thank you for taking time to spend with my dad and I a couple of weeks ago, to look over water right issues. As you may recall, we are trying to transfer the water rights out of Udy Brother Partnerships, and into a family trust.

Enclosed, please find a Quitclaim deed, which shows the land connected to the water rights, being held in the name of "The R and L Udy Family Revocable Living Trust." We have also enclosed a check in the amount of \$250, to cover the fees for making the transfers on 10 different claims.

If any questions, please call or email my dad, Richard Udy. His contact information is as follows:

Email: lindajoudy@yahoo.com

Phone: 208-548-2636

I hope that this is all that you need. Thank you for your time.
