RE: Notice of Change in Water Right Ownership
Water Rights: 29-4143 & 29-13435

Dear Sir/Madam:

On June 1, 2018, you filed a Notice of Change in Water Right Ownership (ownership change) with the Idaho Department of Water Resources (IDWR), seeking to update the ownership records for the water rights listed above. After an initial review, we determined that additional information was required in order to complete your application, specifically a copy of the recorded Warranty Deed or other legal document indicating your ownership in the water rights. On August 10, 2018, we sent a letter requesting the information. The additional information was to be provided within 30days.

IDWR has never received a response to the request. Without the proper evidence of ownership, we cannot complete the ownership change. We are therefore returning your original ownership change and have initiated a refund of your money (\$50.00). The refund from the state of Idaho will arrive at the address listed above within a couple of weeks.

Please feel free to re-file your ownership change at any time in the future when you have collected the proper documentation of ownership and have included the correct filing fee.

If you have any questions, please contact me at (208) 525-7161.

Respectfully submitted,

Treva & Susan,

Good morning!!

I have a refund request as follows:

Receipt number: E044065
Amount: \$50.00
Payable to: Kevin Morrison
21095 S Cambridge Rd
Downey ID 83234

Reason: Total filing fee received \$50.00 for an ownership change. Additional information was required and requested, but never received. Because the ownership change could not be complete, the application is being returned unprocessed, therefore a full refund is required.

Let me know if you need additional information.

Thank you so much for your time. Let me know if you have any questions.

Have a great day!!!
