Dear Requester:

On December 6, 2018, the Department of Water Resources (Department) received your request to cancel the existing Water Supply Bank (Bank) Lease Contract executed on April 27, 2018 and release water right(s) 13-7192 from the Bank. **The leased water right(s) are in the name of Dennie J Barson of Utah. Additionally, they are fully rented from the Bank until December 31, 2022 and cannot be released from the Bank until the end of the rental term.**

If you are now the owner of the property in which the leased water rights are appurtenant to, please submit a Notice of Change in Water Right Ownership with the required proof and filing fee to the State Office. Water Right forms can be found here: <https://idwr.idaho.gov/forms/water-rights.html>. You may request the release of the leased right(s) again at the end of the rental term, or the right(s) will automatically be released at the end of the term of lease identified on the Lease Contract, December 31, 2022.

If you have any questions regarding this matter, please contact me at (208) 287-4936.

Sincerely,

Mary Condon

REQUEST TO RELEASE A WATER RIGHT FROM THE BANK

ONE FORM PER WATER RIGHT

All water rights leased into the Water Supply Bank shall remain unused by the water right holder for the duration of the Lease Contract. The water right will not be released from the Water Supply Bank until the conclusion of the Lease Contract unless otherwise authorized by the Idaho Water Resource Board. Water right holders may use this form to petition for early termination of their Water Supply Bank Lease Contract.

Water right holders seeking an early termination of a Lease Contract must demonstrate justifiable need for the release. Water rights under Lease Contract that are eligible for early termination can be released from the Water Supply Bank if the release will not impair administration of the Water Supply Bank. **If a water right is currently rented, it cannot be considered for release until the Rental Agreement concludes.** A water right is not released from the Water Supply Bank until written release confirmation is issued by the Water Supply Bank.
