RE: Change in Ownership Water Right No. 27-11009, 27-11946 & 27-12217

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Water Right Ownership:** copy of the recorded Deed or other legal document indicating your ownership of the property and/or water rights in question. On October 10, 2018 the department contacted you to request a full chain of title back to Florian and Opal Wenette and the filing fee. The deeds/filing fee has not yet been provided. Please supply the department with a full chain of title back to Florian and Opal Wernette.

**** **Filing Fee:** Filing Fee of \$25 per water right if a split is not required or \$100 per water right for changes resulting from division of a water right. (Total fee \$150.00)

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
