RE: Water Rights 27-10296 and 27-12306

Dear Water Users:

Last month we completed a water right split and ownership update for water right 27-10296 for the C. Larry and Eliza Hinderager Revocable Trust. After completing the split, we mailed out updated water right reports and maps. Last week, Larry Hinderager notified me of an error in the water rights and maps. He pointed out that his portion of the water right should have included the property around his home. Based on taxlot information from Bingham County, the Hinderager Revocable Trust owns all of the irrigated acres in Lot 4 (SWNW) of Section 8.

I have updated the water rights to reflect the additional acres owned by the Hinderager Trust. Enclosed are updated reports for water rights 27-10296 (Daniels) and 27-12306 (Hinderager Trust) and updated maps showing the current irrigation place of use for the water rights. Please contact me if you have any questions or concerns.

Sincerely,

James Cefalo
