Dear Parties,

Thank you for being willing to discuss an informal resolution of the issues of protest. I agree that a pre-hearing conference may not be needed if you are close to settlement. Please let this email confirm that the pre-hearing conference scheduled for Thursday, November 29<sup>th</sup> is canceled. If circumstances change, and you feel that a pre-hearing conference is needed, please let me know and we will reschedule the conference.

Hello James,

Regarding Teton Farms I LLC's transfer application no. 82591, we've been diligently working with Fremont-Madison Irrigation District on an agreement to resolve the District's protest. I just spoke with Aaron at FMID, and he is awaiting a reply from the District's attorney on a draft agreement. In light of the anticipated likelihood of coming to agreement, Aaron and I agreed that this Thursday's pre-hearing conference should be cancelled and/or rescheduled. We hope to soon provide the department with a protest withdrawal.

Please let us know if you have any questions.

Thank you,  
Scott
