Subject: Transfer 82525 prehearing

Sharla,

Aaron Dalling and I have talked this morning regarding the prehearing for Shovelback Holdings on Thursday Oct 18. We have already had preliminary discussions and believe we have a tentative path forward. However, the FMID Board has been unable to meet due to harvest schedules to make any additional progress. Aaron and I believe the prehearing on Thursday may be unproductive until after the Board can meet together at the end of October. Can we push the prehearing back a bit? Our earliest combined availability may not be until December.

Thanks,

Kristin Moore
