PROOF ACKNOWLEDGEMENT LETTER

RE: Permit No. 71-10979

Dear Permit Holder(s):

The department acknowledges receipt of the proof of beneficial use form (proof) submitted for the above referenced permit.

A \$150.00 license examination fee was also submitted with the beneficial use form. This permit authorizes a diversion rate of 0.20 cfs (cubic feet per second) requiring a license examination fee of \$50.00. The \$100.00 portion of the submitted fee in excess of the required amount will be returned to you in a separate mailing.

The next step in the process of developing a water right is for the department to conduct a field examination to determine and confirm the use being made of the water.

Please be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office or at the department's website at www.idwr.idaho.gov.

If you have any questions concerning the field examination, please contact the Southern Region Office of the department located in Twin Falls at (208) 736-3033.

Sincerely,

Darla Block
