Re: Water Right 43-84 & 43-13824, <sup>43</sup>83-85 & 43-13825, 43-286A & 43-13826

Dear William Mills,

I received a letter from you November 1, 2018. In that letter you informed me that there is an additional security interest holder on our water shares and that if that wasn't correct that I need to have Western Ag Credit contact you to release their interest.

I spoke to Western Ag Credit and they have done a letter to release their interest. Please see attached letter. I believe they are sending this letter to you also. Will you please remove their interest and if you have any questions please feel free to contact me or Western Ag Credit.
