Subject: IWRB Big Wood Recharge Right

Hello Shelley,

You asked me to email you a note for the file regarding the licensing of IWRB's Big Wood Recharge right. My understanding is that the IWRB staff have submitted a right of way application to the BLM that will cover the IWRB's use of BLM lands associated with this right. We are working with BLM to have that application and approval of the license run in tandem so that licensure can be completed even through BLM has not formally approved the right of way yet.

Wesley, please correct me if I've gotten any of the details wrong on this . . .

Thanks,

Ann Vonde
