RE: Change in Ownership Water Right Nos: 72-10176 and 72-00004F

Dear Interested Parties:

The Idaho Department of Water Resources (Department) received a Notice of Change in Water Right Ownership (Notice) from you on September 17, 2018 for the above referenced water rights. The Notice could not be processed because there was no Evidence of Water Right Ownership (copy of deed, title policy, contract of sale or other legal document indicating your ownership of the property and/or water rights in question) submitted. Additionally the fee to file a Notice of Change in Water Right Ownership is \$25.00 **per Water Right**. Your payment of \$25.00 was only half what would be due.

On September 21 and November 1, 2018, the Department requested the required information from you. As of the date of this letter, the Department has not received the required information.

The Department is returning your Notice of Change in Water Right Ownership and the attachments. A refund of \$25.00 has been requested and will be mailed to Jacob Zollinger under separate cover from the Idaho State Controller's Office. You may re-submit your request with the appropriate documents and fees.

If you have any questions regarding this matter, please contact me at (208) 287-4803.

Sincerely,

Rosemary DeMond
Administrative Assistant II

Dear Interested Parties

The letter stated that if we had not received the required information within 30 days we would return your notice and all attachments and your notice would not be processed. As the 30 day deadline has now passed I wanted to send out one final communication in hopes that we can assist you in completing this Change in Ownership. Please note that under Idaho Law permit holders are required to report any change in ownership and/or mailing address to the Department within 120 days of the change.

You are welcome to email the needed documents to me at this email address. You can also mail them via USPS or deliver them to any of our offices. Addresses for each of our offices are listed below. If you choose to supply the necessary documentation please be sure to note the appropriate Water Right Numbers (listed above) and/or send the documents to my attention.

If documentation has not been received within seven (7) business days we will refund your fee and return all forms and documents to you without processing the change.
