RE: Application For Permit No. 72-16967

Dear Applicant(s):

The Department of Water Resources has received your water right application. Please refer to the number referenced above in all future correspondence regarding this application.

A legal notice of the application has been prepared and is scheduled for publication in the **CHALLIS MESSENGER** on **11/15/2018** and **11/22/2018**. Protests to this application may be submitted for a period ending ten (10) days after the second publication. Any protest against this application must be filed with the Department of Water Resources, together with a protest fee of \$25.00 for each application, on or before **December 3, 2018**.

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application is approved, the Department will send you a copy of the permit.

Please contact this office if you have any questions regarding the application.

Sincerely,

Denise Maline

RE: Application for Permit No. 72-16968 (Idaho Fish & Game Commission)

Dear Cindy:

A copy of the above referenced application is enclosed. Please review the application, and provide any necessary comments within 21 days of the date of this letter.

If the application is approved, IDWR will include appropriate standard conditions of approval for a water right located within a water district, such as regulation by the water master, lockable controlling works, and/or measuring devices. Any special conditions or other concerns you have related to this application should be specifically addressed in your recommendation.

IDWR's regional offices can finish reviewing an untested application as soon as the protest period has past. Your prompt response to this request will ensure that your recommendation can be considered. If IDWR has not received your written recommendation within 21 days from the date of this letter, IDWR will presume that you do not oppose approval of the application and that you have no comments for IDWR to consider.

Sincerely,

Denise Maline

Total Diversion: 0.08 CFS

Date Filed: 8/30/2018

Place Of Use: IRRIGATION

T11N R18E S11 L8(SWSE)

Total Acres: 4

Application proposes to divert 0.08 cfs of water from the Salmon River for the irrigation of 4 acres of land located approximately 12.7 miles south and 4.5 miles west of the Highway 75 & Highway 93 intersection south of Challis. This application proposes the diversion and use of water tributary to a federally designated Wild & Scenic River. The decreed minimum stream flow rights for the federal Wild & Scenic Rivers are subordinate to certain categories of water use and to specific amounts of water use established after the minimum stream flow. The water use proposed in this application will benefit from the subordination provision because 0.08 cfs and 4 acres will be applied to the subordination amounts specified in the decree for the applicable Wild & Scenic River.

Application for permit proposes to divert 0.8 cfs from Bayhorse Creek for a non-consumptive use of water through an existing fish screen. The proposed POD and POU are located approximately 6.5 miles south and 2.9 miles west of the Highway 75 & Highway 93 intersection south of Challis. This application proposes the diversion and use of water tributary to a federally designated Wild & Scenic River. The decreed minimum stream flow rights for the federal Wild & Scenic Rivers are subordinate to certain categories of water use and to specific amounts of water use established after the minimum stream flow. The water use proposed in this application will benefit from the subordination provision because it is for fish propagation purposes/the diversion rate will be applied to the subordination amounts specified in the decree for the applicable Wild & Scenic River.

Permits will be subject to all prior water rights. For additional information concerning the property location, contact Southern Region office at (208) 736-3033; or for a full description of the right(s), please see research.idwr.idaho.gov. Protests may be submitted based on the criteria of Idaho Code § 42-203A. Any protest against the approval of this application must be filed with the Director, Dept. of Water Resources, Southern Region, 650 ADDISON AVE W, STE 500, TWIN FALLS, ID 83301-5858 together with a protest fee of \$25.00 for each application on or before **December 3, 2018**.
