RE: Correction of Ownership Change for Water Right 22-2033A

Dear Water Right Holder:

The Department received a request for an ownership change on October 29, 2018. The change was completed and acknowledgement was sent to you on November 6, 2018. It was brought to the attention of the Department that water right 22-2033A should have been split. After reviewing documents in our files, Rayola Birch only owns 9.6 acres and 0.2 cfs of water right 22-2033A. According to a deed from Rayola Birch to Jason and Shawna Morris, Rayola sold a piece of property with all appurtenances, which includes the water rights.

The ownership of water right 22-2033A will revert back to Rayola Birch. If you would like me to split the water right and put a portion in your name, the Department will need an additional filing fee of \$75.

If you have any questions, please contact me at (208) 287-4942.

Thank you.

Sincerely,

A handwritten signature in cursive script that reads "Jean Hersley".
