RE: Water Right Decree No. 65-6423 & Water Right Permit No. 65-23551

Dear Permit Holder(s):

On October 18, 2018, the Department received a Statement of Completion for Submitting Proof of Beneficial Use (proof statement) along with a \$50.00 license examination fee for a water right that has been decreed. There is no proof due date on a water right that has been decreed. Therefore, I am returning the proof statement you filed for decreed water right no. 65-6423 as this was an unnecessary filing.

The \$50.00 fee paid at the time of this filing has been reapplied towards the full license examination fee of \$100.00 that was due with the filing of the proof statement for water right permit no. 65-23551. The Department acknowledges receipt of the proof of beneficial use form submitted for water right permit no. 65-23551.

The next step in the process of developing a water right is for the Department to conduct a field examination to determine and confirm the use being made of the water.

Please be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the Department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any Department office or at the Department's website at www.idwr.idaho.gov.

If you have any questions concerning the field examination, please contact the Western Region Office of the Department located in Boise at (208) 334-2190.

Sincerely,

Darla Block

Subject: Re-application of Fee Paid:

November 5, 2018

Dear Sascha,

Please reapply the \$50.00 paid under Receipt ID C105789 to Receipt ID C105790. The license examination fee for permit #65-23551 under Receipt ID C105790 should be \$100.00. Only \$50.00 of that was paid.

The \$50.00 that was paid under Receipt ID C105789 was not appropriate as there is no proof due on decreed water right #65-6423. I will be returning the Proof of Beneficial Use form filed under the decreed right back to the Permit holder as not an appropriate filing.

Thank You,
Darla Block
