Charlie,

We received the emailed withdrawal of the petition and issued an Order Withdrawing a Preliminary Order for Transfer 82259 this morning. The order will be sent out by standard mail, but I have attached a copy for your reference.

The transfer has become active again and will be temporarily withheld from further processing in anticipation of your proposal.

Subject: Transfer No. 82259 - Withdrawal of Petition for Reconsideration

Shelley and Pam: Thank you for meeting with Kyle Radek and myself today to discuss the volume concerns the City of Meridian has with the above referenced transfer application. Pursuant to our conversation, I am submitting the attached Withdrawal of the City's Petition for Reconsideration with the understanding that you will ensure it is filed; and with the understanding that the Withdrawal is contingent upon IDWR's withdrawal of the existing approval of the transfer.

As we also discussed, the City of Meridian will be submitting a proposal to IDWR by next Friday, November 2, 2018 that addresses the volume issues.

Please contact me immediately if I am in any way in error in my understanding.

Thank you again.
